Large Homes and Offices from £400 to £800

Very large homes, small hotels from £1500 to £2500

### Custom Solutions

A professional range of wireless solutions to suit more demanding environments and large homes

From £800+VAT (£960.00)

### TV, Apple TV, Sky Q

We can connect TV's Apple TV or Sky Q Boxes to the internet for faster streaming

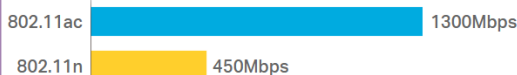

### We are Cyber Certified

"Demonstrating our commitment to ensure we manage information and data securely."

All of our solutions are set up following the latest security standards & guides.

### Super Fast MIMO Technology (requires faster internet service from BT, Virgin or GigaClear—cabling may be required)

If you have faster Fibre or Cable internet, adding the latest generation of 802.11ac Wi-Fi combined with advanced 3x3 MIMO technology ensures superior Wi-Fi speeds and coverage for individual or multiple users.
