

MY HOME OFFICE

Working From Home

COVID-19 Update

COVID-19 is having a huge impact on families and businesses. We are working hard to provide remote working solutions to keep your home set-ups running.

Solution Ideas for Remote Systems

- ✓ **Remote Access** - we have many options to allow remote connections to PC's Servers, software, finance or Sage 50 Accounts
- ✓ **Cloud Solutions** - Access email, calendar, shared files or other systems from home.
- ✓ **Collaboration** - Share files or collaborate on documents, chat with users or share screens presentations or work flows.
- ✓ **Remote Support** - We can log on to check fix or update most systems.
- ✓ **Security** - A range of Cloud security solutions are available to manage & secure devices.

Popular Products & Services

Office 365

Access Email, Calendar, Contacts across all of your devices, works on PC, Mac & Mobile Devices.

Dropbox Business

A popular & easy to use file sharing solution for businesses of all sizes
